State Jaycee Convention to Start Today

More than 1,500
Delegates Expected
to Throng Village

The largest convention of the year starts today, Thursday, when 1500 Junior Chamber of Commerce members from throughout the state arrive in the Village.

Registration is today at the convention headquarters, El Mirador hotel, followed by a cocktail party this afternoon. Tonight will be "Night on the Town," an event originated by the Palm Springs group several years ago and since then copied by most other convention cities.

THE ESTIMATED 1500 delegates will make the 1954 meeting the largest in the history of the state organization.

President Ira Kaye will preside at all business meetings of the four-day convention, which ends Sunday, May 2.

On Friday, a breakfast for the men will open the day's activities. At noon, guest speaker at the luncheon will be LaMar Buckner of Utah, national vice president for the United States Junior Chamber of Commerce.

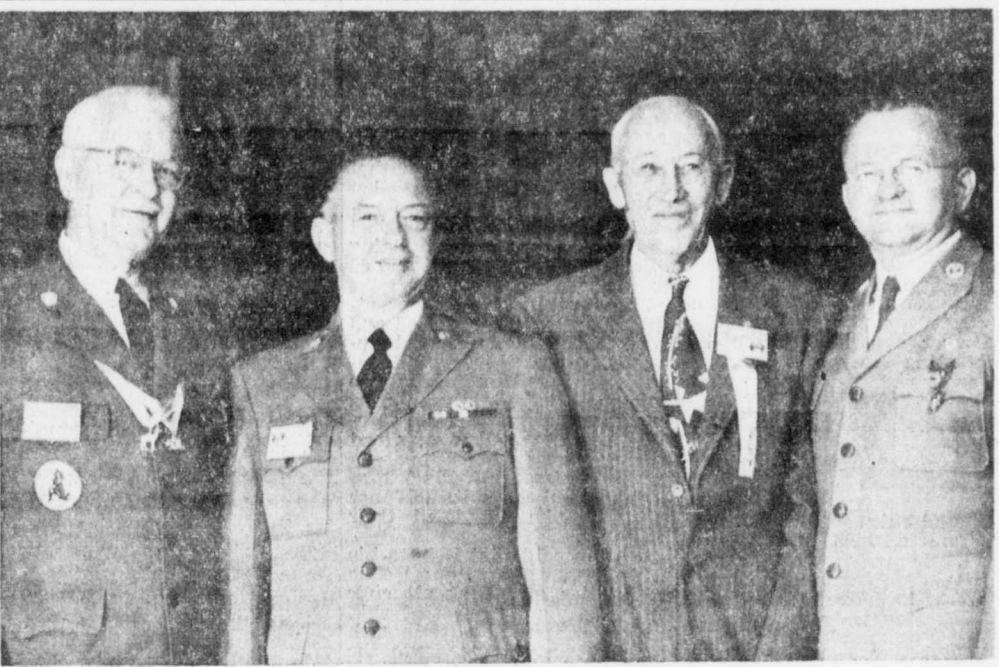

PALM SPRINGS JAYCEES received word Tuesday that U.S. Senator Thomas Kuchel will be a speaker at the Friday luncheon at El Mirador.

Senator Kuchel and his wife will arrive here by plane at approximately 11:30 a.m., and will have a police escort to El Mirador.

FRIDAY NIGHT has been set aside so delegates may join in the caucus parties which will aid in the selection of the state leaders for next year.

An intensive campaign has been waged by the three candidates for president, and no forecast has been forthcoming on the winner. Aspirants for the top post are Phil McClure of San Francisco, Andy Cardano of Downey, and Phil Knox of Oakland.

The Saturday luncheon will be highlighted by the address of Paul G. Hoffman, chairman of the board of directors of the Jaycee luncheon Saturday.

SCOUT EXECUTIVES — At the Eagle Scout dinner Monday evening at El Mirador were, left to right, C. J. Carlson, former regional Scout executive; Don Moyer, regional Scout executive of Los Angeles; Carl Lykken, president of the Riverside County Council, and Carl Helmick, Scout executive for Riverside county.

Private Sale of Valuable Indian Lands Possible

Court-ordered sale of valuable Palm Springs Indian land to satisfy a court judgment for attorney's fees was postponed again Wednesday, this time until May 25, with other events occurring which may make possible private sale of the land and thereby eliminate the need for the public sale.

Attorney Irl Brett, who represents Lee Arenas (who died Sunday), on Monday scored two major victories in his efforts to raise the amount of the judgment by private sale and thereby preserve some of his clients' land.

JUDGE WILLIAM MATHES, United States District Court, with agreement among attorneys involved, on Monday removed Lee Arenas and Della Brown Arenas and their lands from the Clem Segundo suit now pending in his court, and on the same day all private sales now in escrow received

Eagle Scouts Honored at Recognition Dinner Here

Forty-five of the leading business men of Riverside county acted as sponsoring hosts to Eagle Scouts of the county last Monday evening at El Mirador hotel.

Prior to the start of the dinner, each Scout was photographed with his host, in the Starlight Patio, and during the meal hour the films were developed, enlarged, framed, and presented to each of the sponsors. At the bottom of each frame was a brass plate with "Eagle Scout Dinner, El Mirador Hotel, Palm Springs, California—April 26, 1954."

JOSEPH HUNTER of Riverside, chairman of the dinner committee, MC'd the program. He first called on Jackie Crowder, Eagle Scout of Riverside, who sang two Negro Spirituals, accompanied by Mrs. C. J. Carlson on the piano. As an encore, Crowder called former Regional Scout Executive C. J. Carlson to the platform and they rendered a number in trained harmony. The audience expressed its appreciation with enthusiastic applause.

Speakers, following the songs, included Carl Lykken of Palm Springs, who welcomed the group in his capacity as presi-

Board Rules Against City on Land Bill

Supervisors Say
Reservation Not
Ready for Measure

County board of supervisors Monday adopted a resolution opposing Congressional bills which provide for termination of federal control over Indian lands.

The vote was 4 to 0, with Supervisor Homer Varner declining to vote as "the resolution needed more study."

Action taken was in opposition to the viewpoint of the city of Palm Springs, and supported the contention of the Lessees of Palm Springs Indian Land. No one appeared from other areas in the county.

PRESENTING the city's case against the bill were City Manager R. W. Peterson, Mayor Florian Boyd, and City Attorney Jerry Bunker and Councilman Earle Strebe, who attended committee hearings in Washington on the bill.

Eight members of the Lessees made the trip to Riverside, with President George Prosser acting as chief spokesman. Others included Hazel Critchlow, Dean Pickell, Florence B. Prosser, Eda Roark, Emma Spector. Adding their support to the plea were Vernon Hilliard of Murietta, candidate for Congress, and Cruz Silva.

BUNKER, FOLLOWING the action, said that the city was "very disappointed in the action being taken before all facts were considered." He pointed out that the city offered the supervisors statistical information compiled by the city planning commission, and the county body declined the offer.

Prosser said that his group was "highly elated" that the supervisors agreed with the Lessees' program.

The resolution will be sent to U.S. Senators William Knowland and Thomas Kuchel, Congressman John Phillips, State Senator Nelson Dilworth and State Assemblyman Lee Backstrand.

THE RESOLUTION, prepared prior to the meeting at the direction of the supervisors, contained the following statements:

"It appears unlikely that the Indians to be affected by the proposed legislation are, or that they will be, within the period allowed by the legislation, sufficiently capable, from the standpoint of education and experience, to properly manage and operate the lands involved or to become self-sustaining members of society."

"Under the proposed legislation, it appears possible that land titles as between individual Indians and groups of Indians will be confused."

GRAND JURY CONTINUES QUIZ INTO ELECTION

Riverside County Grand Jury Tuesday continued its secret probe of the Palm Springs councilmanic election, with at least four Villagers appearing as witnesses.

Reported to have appeared under subpoena were City Manager R. W. Peterson, City Attorney Jerry Bunker, Clarence Self, unsuccessful candidate in District Four, and James Cavett, unsuccessful candidate in District Six.

Among the previous witnesses appearing at a special session last Wednesday was Councilman Jerry Nathanson, who was reelected in District Two.

The meeting of the Grand Jury was the regular monthly session.

The Grand Jury, District Attorney William Mackey, legal counsel, and witnesses are required by law not to divulge any information concerning grand jury activities.

JET, CRACKING SOUND BARRIER, JOLTS CITY

Well, at last it happened in Palm Springs.

The Village, regaining its serenity after a hectic Desert Circus, was jolted into wide-awake action shortly before noon Sunday when a jet-propelled plane crashed the sound barrier somewhere over the city.

The sharp jolt which shook the entire city was followed by reverberations like thunder. Telephones at the police station started jangling immediately and within a short time, 200 calls were registered there.

At The Desert Sun office no record was made of the calls from curious Villagers but all of the trunks were busy for a while.

Police had no details other than an unidentified jet had crashed the sound barrier.

Aviation officers here said that it was the first time the sonic barrier had been reached over the desert although many attempts have been made.

Only report of damage received was from a Villager in the south end of town who said two large windows facing on the patio of his home had been cracked.

They also were unable to find the source of another mystery explosion late Sunday night, heard in the north end of town.

The explosion Sunday night was said to have been accompanied by a bright blueish flash of light.

HUGE CROWD CLIMAXES HIGHLY SUCCESSFUL CIRCUS AT GAY DANCE

Three o'clock in the morning! Desert Circus festivities closed at 3 a.m., Sunday, (PST), with a capacity crowd at the American Legion hall still lingering

and trying by applause to persuade Freddy Martin and his orchestra to continue playing for dancing.

More than 1500 persons of all ages were in attendance and the Martin orchestra drew enthusiastic comment from all as it varied its danceable rhythms to cover all groups.

Although no Circus activities were in evidence Sunday, the Village also enjoyed one of its largest crowds of the season.

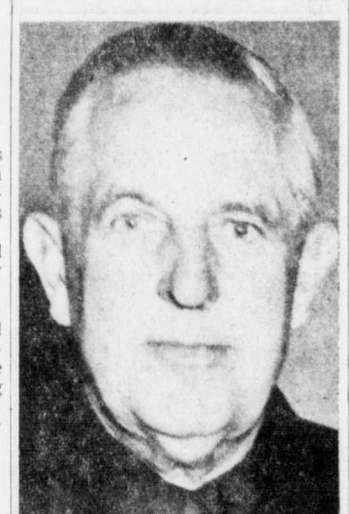

LONG-TIME RESIDENTS of Palm Springs this week proclaimed the Circus the eighteenth annual, one of the best ever held, with the crowds equalling or surpassing all past records.

Preparations for start of a de luxe trailer Village on Highway 111 east of Palm Springs were being speeded today as a result of action of supervisors in approving a recommendation of the county planning commission that the permit be granted.

Big names in the entertainment world, Winter residents and home owners here, appear on the list of stockholders.

The new trailer park, to be known as the "Blue Skies Trailer Park" will be built on a site northeast of Tauberd Country Club on Highway 111.

AMONG STOCKHOLDERS in the enterprise are Bing Crosby, Jack Benny, Bob Hope, Bill Perlberg, Ray Ryan, Desi Arnaz, Phil Harris, Jim Ashman, Ira Gershwin, Mervin Le Roy, Joe Schenck, George Strebe, Bill Edris, Dick Snideman, Freeman Gosden and Grace Kelly, the latter a leading actress and the

only woman stockholder in the corporation.

Pete Pettito formerly associated with Trav Rogers at Rogers Ranch as right-hand man, will manage the new trailer park.

The park will have a restaurant, club house with TV, swimming pool, tennis courts, shuffle board courts and necessary stores and service stations. It is planned to develop 800 feet of frontage into a modern shopping district.

CONSTRUCTION on the park will start on May 15. Pettito and Bill Cody, Village architect who is drawing the plans, said.

The park will be in operation on September 1, this Fall, it was declared.

The project will cost \$300,000.

JUVENILES BLAMED IN DYNAMITE BLAST QUIZ

Two incidents involving dynamite are being investigated by Palm Springs police and the sheriff's department following one explosion Sunday evening, and an attempt at setting off a second charge.

The sheriff's department is investigating the explosion about 10 p.m. Sunday, caused by placing a stick of dynamite in a tow truck at the Guarantee Garage, 3333 North Indian avenue, outside the city limits. Damage to the truck was extensive.

The second attempt involved placing three sticks of the explosive in a swimming pool in the 500 block of South Indian avenue, with the water extinguishing the lighted fuse.

If this charge would have exploded, it would have caused extensive damage to windows

and possibly structures in the neighborhood, Police Chief John S. Davis reported.

The dynamite was first sighted in the pool about 10 p.m., but was not identified until the next morning.

Chief Davis said the two incidents are believed the work of out-of-town juveniles. A check is now under way to determine the source of the explosive.

Goose Arrested for Disturbance

Anybody lose a goose? If they want him back, they'll have to bail him out.

For police arrested a goose the other day.

He (maybe it should be 'She') was booked on a charge of disturbing the peace.

It happened when a complaint came in from the Palm Springs Trailer Corral that a goose was wandering about the place, disturbing the residents with his honking. They were tired of dodging phantom automobiles.

So Officer Bob Flavin took the goose into custody. They have men and women's quarters at the city jail but no goose quarters. Therefore, Flavin took over the case. He has the goose in custody at his home.

Owner can have same by contacting Flavin.

Report Entry at Masonic Temple

Illegal entry into the Masonic Temple, 1006 East Ramon road, Monday afternoon through Tuesday afternoon, was reported to police by caretaker George Meeks.

Entry was made by removing a screen from an open window. An attempt was also made to remove the hinges from a door.

Three Citations Follow Wreck on Highway 99

Chris Gonzales, 19, Los Angeles, was given three citations following an accident Saturday about two and a half miles west of Garnet on Highway 99, in which three persons suffered minor injuries. California Highway Patrol officers reported.

Two of them, Rafael Estrada, 24, and Arlen Daugherty, 23, both of Beaumont were brought to Desert Hospital by Wiefels and Son ambulance for emergency treatment. The third, Robert Alcuma, 14, a passenger in the Gonzales car, refused treatment. CHP officers said.

Estrada and Daugherty were passengers in a car driven by Glen Ayers, 23, Beaumont.

The two cars sideswiped in a head-on manner, according to investigating officers.

Gonzales was cited for speeding, driving on the wrong side of the road, and for not having a valid driver's license.

Capacity Throng for Roller Rink

Johnny Quillan reports that Roller Skating at the Recreation Center has caught on tremendously. The second session, last weekend, saw the building filled to capacity with some 60 couples turned away.

Many prominent citizens attended and were impressed and gave their whole-hearted approval. To watch scores of teenagers engaged in wholesome enjoyment is certainly an asset for Palm Springs was the opinion expressed. Prominent among those in attendance were Dr. James H. Blackstone Jr. and Paul Summit, guidance director, who expressed their approval.

Quillan said that it is his interest to work with all civic authorities and back all civic interests. As evidence of this, he has consented to relinquish the building, and forego the Saturday matinee (this week only) to the Junior Chamber of Commerce for their convention. Quillan hopes that all of the youngsters and Saturday matinee skaters will approve and understand this and attend the other sessions this weekend.

A smash hit at the Chi Chi these nights are the Wiene Brothers, rated by reviewers in America and England as "the funniest musical combination" to appear in the entertainment world for a long time. Since their opening last week at the Chi Chi they have delighted packed houses.

Phillips Introduces Bill to End Delay in Land Sales

A House interior subcommittee is awaiting a report from the Interior Department's Bureau of Indian Affairs on a bill by Representative John Phillips to clear the way for the Agua Caliente Indians of Palm Springs to sell their tribal and allotted lands without waiting 25 years.

Presently a law dating back 63 years—the Mission Indian Act of 1891—requires that Mission tribe members must hold their allotted lands a quarter-century before the Interior Secretary will issue a fee patent authorizing sale.

PHILLIPS' BILL would confirm the Secretary's authority to issue fee patents to the Mission Indian tribe, of which the Agua Caliente tribe is a part, at any time during the 25-year trust period prescribed by the 1891 law, thereby nullifying the quarter-century waiting period.

Jerome J. Bunker, city attorney of Palm Springs, wrote Phillips that enactment of his bill would put the Mission tribe "in the same position as other California Indians so far as the saleability of their lands is concerned."

He pointed out that Agua Caliente Indians own more than 5000 acres of tribal lands within the corporate limits of Palm Springs.

"THE PRACTICAL EFFECT of this dilemma," Bunker wrote, "is that some of our Agua Caliente Indians are receiving fee patents when they have not held their trust patents 25 years."

"When they attempt to convey the land to third parties they are unable to give clear title and title companies will not issue a policy of title insurance."

This situation, he added, "results in the Indian having to

sell his land at a figure lower than the market value, with only speculators interested in purchase of the Indian lands."

SO FAR AGUA CALIENTE Indians have received fee patents from the Interior Secretary on only about 100 acres, Bunker reported.

"No real damage has been done as yet," he told Phillips, "but undoubtedly the future will provide dire results for our Indians if they continue to be subjected to a legal situation wherein they must sell their lands at less than the market value. Our Indians are an alert, educated group and, as a result, probably all of our Indians will be found to be competent to receive fee patents covering their lands."

"WE MUST SEE that these lands have a market value so that devastating consequences to the Indians, as well as to the white property owners, can be avoided."

Bunker also submitted a resolution from the Palm Springs City Council urging passage of the Phillips' bill.

Motorist Cited on DWI Charges

Grover Cleveland Hart Jr., 32, was arrested on a charge of driving while intoxicated at 4:15 a.m. Sunday, after Officer W. L. Jessup observed him driving on the wrong side of the street, and then also parking on the wrong side in the 1100 block of North Indian avenue.

He was released on \$158 bail pending a hearing in justice court.

Board Favors Mining in Joshua Tree Monument

By a vote of three to two, supervisors adopted a resolution Monday asking congress to allow mining in the 800 square miles of Joshua Tree National Monument.

The resolution was proposed by the County Chamber of Mines.

It was opposed by the Sierra club, one of the outstanding conservation groups of the west, and by local conservationists, including Harry James, president of an organization.

Supervisors Homer Varner, Roman Warren and William Jones voted for the resolution. Supervisors Irwin Hayden and Sherman Lewis voted against it.

The Chamber of Mines said there is "evidence" of "strategic minerals and metals" in the Monument. It said mining there would not destroy its value for tourists and nature students.

The Sierra club reminded the supervisors of a report made in 1951 by the U.S. Department of the Interior.

The department said a thorough survey of the Monument showed "the possibility of commercial production of base metals, strategic minerals, or important quantities of non-metallic minerals within the Monument is remote."

RECORD FISH — Mr. and Mrs. Laurie Sheklow pose with a 326-pound Totuava, landed by Sheklow at San Felipe. It broke a record at that Baja California fishing port.

Villager's Fish Sets New Mark

Laurie Sheklow, 676 Plaza Amigo, is back giving out fish these days.

With Mrs. Sheklow and three other Villagers, he went to San Felipe last week and Sheklow set a new record for that fishing port. He landed a Totuava, weighing 326 pounds, after a long battle. It was the largest fish ever brought in there.

With the Sheklovs on the trip were Mr. and Mrs. William Kolpakoff, 444 South Indian avenue and Herman Levine, Caliente cottages.

Kolpakoff hooked the big fish and after a two-hour struggle turned it over to Sheklow. The latter wrestled with it for another three and one-half

Tribe Reaffirms Closure Policy on Indian Land

Agua Caliente Tribal Council Tuesday reaffirmed a previous policy of no hunting or fishing on Indian land, and no early entry permits through the toll gate to Andreas Canyon.

Persons wishing to do so may enter through the gate at 9 a.m., regular opening time, and walk upstream one-fourth of a mile to non-Indian land. The gate and Indian-land part of the stream will be posted and patrolled, with violators turned over to local authorities.

The Council took this action because of several Indian families using the stream for water purposes, and the danger of pollution; because of the constant fire hazard, and administrative problems in supervising the area.

The Council pointed out that Tahquitz Canyon has been stocked, and is open to fishermen.

From Page 1—MORE ABOUT LAND SALE

the approval of the Undersecretary of the Interior Ralph A. Tudor.

Brett, as the next step, will appear in Judge Mathes' court Friday to ask court approval of these private sales of Lee Arenas' land. Approval of the sales of Della Brown Arenas' land will have to wait for probate of her estate, and determination of her heirs, plus approval of her heirs.

ALL SALES are on the basis of offers made by private parties, on a cash basis, which have been agreed to by all parties concerned.

Once court approval is received, Brett said, the sales may be concluded in the usual manner between buyer and seller. The steps taken to date were stipulated by title insurance companies, prior to their issuing title insurance on the land and thereby making it merchantable.

SALES NOW in escrow are: Lee Arenas land—in Section 26, 25-acre parcel for \$63,000, and a five-acre parcel for \$14,000, to Mr. and Mrs. George Blezard and Mr. and Mrs. Roy E. Smith; frontage on Palm Canyon drive 3.47 acres for \$16,845, Mr. and Mrs. Dexter Mabrey.

Della Brown Arenas land—in Section 26, not frontage, 10-acre tract, \$15,000, to the Blezards and Smiths; five-acre tract \$7500, Mr. and Mrs. Anthony Plascjak; five-acre tract, \$7500, Morris B. Udell; five-acre tract, \$7500, Mr. and Mrs. Abe Swartz.

All land involved is unimproved, Brett said.

DANCED TO VICTORY — Gene Kelly, right, was as agile on the tennis court as he is on the dance floor as he and his partner, Vernon Hughes, second from left, won the A Flight Mixed Doubles event in the fifth annual Racquet Club Cup tennis tournament. They defeated Mort Heller and Sammy Sontag for the title. Pictured receiving their awards from Bill Powell and Terry Moore are, left to right, Heller, Hughes, Sontag and Kelly.

Snow Creek Canyon Closed to Fishermen is Reminder

Local fishermen were reminded today that the Snow Creek Canyon has been closed to public fishing by the Palm Springs Water company at the direction of the state and county boards of health.

The State Fish and Game department has not stocked the stream this year.

The area was closed to fishing because of the attendant hazard of stream pollution, Water Company President Harold Hicks reported.

He emphasized that there was no danger to the Palm Springs city supply because of constant precautions and preventative measures, and added that the action was taken because the two health departments desired the possible hazard controlled at the source.

"IT APPEARS in many cases that existing roads along and across large areas of land to be affected by the proposed legislation are not constructed and maintained in accordance with county standards.

"The proposed legislation does not provide for improvement of these roads prior to complete termination of federal supervision, and it therefore appears likely that the improvement of the roads might ultimately become an expensive county burden."

HERE'S WHY BARLEY GROWERS SAVE THEIR BEST FOR BUD

They know that the brewers of Budweiser want nothing but the cream of the crop—and pay accordingly. You just can't brew Budweiser with anything but superior ingredients...choicest hops, rice and best barley malt.

Nor can you age it in jig time. After this brew completes the conventional ageing period, it goes through a second fermentation and ageing. Only then does it become Budweiser—with the fragrance and the so-distinctive taste that you find only in Budweiser.

And here's your bonus. You enjoy:

1. A beer with all-natural carbonation all of the time.
2. The one beer produced by the costliest brewing and ageing process on Earth.
3. The one beer that has pleased more people than any other beer in history.

When you know your beer...IT'S BOUND TO BE BUD

ORGANIZATION'S HISTORY

After the Convention stay and play One More Day!

It is our sincere wish that when you return home memories of your visit to Palm Springs, America's Foremost Desert Resort, are all pleasant ones.

Palm Springs' winter climate has made it the mecca of some of the most famous people in the world. Many of them reside here throughout the winter months (from October through May). In addition, there are many who reside here throughout the entire year — summer and winter. The same is true of the area which extends beyond the city limits of Palm Springs here on the desert.

During your stay here you will no doubt see the many fine hotels, visit our cafes, restaurants and night clubs where the best entertainment is furnished the visitor and the finest of foods served. You will also have noticed our fine shops and the type of merchandise offered for sale, produced domestically and abroad. But there is still more to all that goes into solid structure that makes for a thriving community. These are: the many fine homes, the existence of many churches embracing all faiths, the splendid school system attended by approximately 2,000 students, both in public and private schools, our modern hospital. There is also our fine water system delivering the purest water found anywhere and pumping more than 4,000,000 gallons daily for residents within the city limits.

The assessed valuation of property in Palm Springs amounts to approximately \$40,000,000 and exceeds that figure by several millions in the unified school district.

Then also remember, gentlemen, that when you next hold your convention in Palm Springs, the longest and the highest aerial tramway in the world may be in operation, carrying passengers from the floor of the desert to near the top of lofty Mt. San Jacinto in a matter of 14 minutes. Thanks for coming and please come again.

File Second Complaint in Police Case

First Petition Thrown Out by Judge McCabe

Attorney Leonard Bock last week filed an amended complaint in his suit against Police Chief John S. Davis and Sgt. Durman Orway, as directed by Judge Hilton McCabe, presiding at Superior Court at Indio, when he sustained the demurrer of City Attorney Jerry Bunker.

Bunker now has 10 days in which to reply to the amended complaint, or file a demurrer, before the case is heard in any manner by Judge McCabe.

The suit charges that the two officers refused to permit Bock's client, Richard Kipness, to have a private consultation with his attorney. It also carries a claim of "false imprisonment."

Kipness last week was found guilty by jury in justice court, on a charge of petty theft.

Daylight saving time is just about all you can save nowadays!—Kay Ingram.

The PUBLISHER'S Corner

by OLIVER B. JAYNES

JAYCEES ARE HERE — Palm Springs is happy to play host for the next few days to some 1500 youthful business and professional men from all over California. They are members of the California Junior Chamber of Commerce who have come here for their annual state convention. Through their interest in community betterment programs these young men have assumed the responsibilities of American citizenship at an early age. They are the men upon whom this nation will depend for leadership in the near future.

The JayCees are organized in thousands of communities throughout the country and I have seen evidence of their civic activities in many towns and cities. They are active in more than 120 communities in California. There are over 10,000 of them in the state. They have sponsored scores of programs such as cerebral palsy aid, get-out-the vote campaigns, safe driving measures, youth activities and many, many others.

On behalf of the entire community, The Desert Sun bids welcome to these "leaders of tomorrow" who will be among us for the next few days. We are mighty proud to have them in Palm Springs, which is also youthful and forward-looking. We are proud also of our own Junior Chamber of Commerce which has served this community so well. Its members have been making plans for many months for the state convention of the organization in order that the three-day program would be carried out smoothly and their fellow JayCee members may enjoy themselves to the fullest extent.

We hope these young men will enjoy Palm Springs as much as we enjoy having them here. We hope their convention will be the most successful this energetic organization has ever had and that much good will come from it in the years to come. We hope they will like Palm Springs and hold their state convention here again also.

ADMEN, TOO! — We are glad also to have here for a convention this weekend members of the Southern California Advertising Agencies association. The advertising experts gather today at Deep Well Inn to discuss ways and means of improving advertising methods and develop better values for their clients. Many leaders in this highly specialized field will be here to lead the discussions and speak to the group.

This association of agencies was organized seven years ago and now has some seventy member agencies with offices in Southern California. James Guthrie of San Bernardino is this year's president of the group.

These advertising executives have some serious business to attend to during their sojourn here but they will have time for relaxation and enjoyment of this desert resort also. We hope their visit will be an enjoyable one and that they will return with a warm spot in their hearts for Palm Springs. But not TOO warm.

BACK HOME AGAIN — When we had passed our last truck and coasted into Palm Canyon drive we realized that of all the thrills and enjoyment a 9,000-mile motor trip affords the greatest of all is the moment we arrive back in "the old home town." On returning from a vacation one sees their community through more appreciative eyes than ever before. Perhaps it was the perfect day — perhaps it was the realization of how fortunate one is to drive from coast-to-coast without mishap — but whatever the reason Palm Springs seemed more beautiful and inviting than ever. Like few other cities, Palm Springs beckons its visitors and returning residents from afar. Lofty Mt. San Jacinto may be seen on the horizon from thirty to forty miles away — more impressive than ever at this time of the year with its snow-capped peak high above the desert floor.

No — there just isn't any place like Palm Springs. As I have said so many times before, few resorts have so many advantages — few have the natural setting and freedom from city-madness from which so many want to escape. I'm prejudiced — of course — but I still say that Palm Springs is hard to beat, and there are a lot of people that have traveled far and wide who agree.

Every time I return from a motor trip I swear I'll never go back on the highways again. I feel that huge, foul-smelling trucks — houses on wheels and those express-train busses have made motorizing so unpleasant and unsafe that I'll never get into this highway rat-race again. But I must like it nevertheless for I always go back for more. There are some tricks-of-travel which I have learned that help a lot; I'll pass them along soon for the benefit of readers who are planning a motor trip this summer along with the millions of other Americans who will be seeing the wonders of America from their car windows.

LETTERS To The EDITOR

DOESN'T LIKE IT

Your editorial on Political Advertising seems to the writer as a sort of excuse for the very offensive publishing of the "Mr. Palm Springs" columns.

That anyone should set himself up as the sire of a beautiful Village such as ours — the Winter home of many prominent men from all over the country is so nauseating as to smell like a pole cat for sure. You, in large, contribute to such offense, for a few shekels. "Mr. Republican" was excusable and his demise left a considerable void BUT shame on you for your part in besmirching our fair Village. THIS SIDE OF THE SUN

By Phat

So if you don't stay through June, You're leaving us too much too soon.

Fooled you that time. Didn't trot out the customary 'May' to rhyme with 'staty' or 'don't go 'way'. But, anyway, the idea is the same. You can't miss May if stay until June.

JUST TWO DAYS more and it will be May. The best month of the year on the desert. The late Mrs. Nellie Coffman, who pyramided a boarding house into a world-famous hotel and who pioneered the Foremost Desert Resort, was the first to urge people to stay through May. That was away back when. The idea lay dormant for a while but in the past decade it has been revived — and successfully. In the years that I have been gainfully employed in Palm Springs, have always noted that in April we have a hot spell and that in May, it tapers off. Warm days and marvelous nights. Which reminds me. To bring up a much-thumbed subject — why do we save daylight in May when the nights are so wonderful?

APRIL WEATHER took a queer rebound this year. The school board, thinking of the comfort of the little dears in their charge, discussed the possibility of changing the school year here. September is always a warm, to put it mildly, month on the desert. June is most always delightful. At least the fore part of it. So the school board decided to poll the parents on the idea of starting the school term on October 1 instead of mid-September, and

running into June instead of closing in May. The idea was that the little scholars would be surrounded by cooler weather while assimilating education. So the parents were polled. But the timing was off. The parents received their cards during the usual early April hot spell. And forgot all about September. So there will be no change in the school schedule.

SAW A HEADLINE on the first page of the L.A. Examiner the other day which aroused my curiosity. It set forth "PERON PARTY LEADER SHOT IN ELECTION." Now where in the anatomical pattern is the election located? As an ambitious youth, too many years ago, I decided to study medicine because of a long line of forefathers who were M.D.s. That's before I decided newspapering was easier. What a delusion! Anyway, in those formative years I dabbled in medical classes. But although I learned all of the bones of the body and all the names of the various zones, cannot remember at any time locating the election. Has anyone here a Gray's Anatomy that I may check over?

COMES A POSTCARD from a citizen commenting on my remarks on putting double lines on Palm Canyon drive to protect motorists at that narrow

bridge. "You stupid jerk," it starts in a complimentary vein. "You don't mean a double line, you mean one of those stripes which carry a full line on one side and a broken line next to it. That means no passing. If we had one of those devices on either side of the bridge to forbid passing, it might prevent some of the accidents. But I agree with your thought on the double line. The full line and broken line might not help. Too many motorists would not know what it meant."

WELL, THE CIRCUS is over but the excitement lingers. This weekend we have the State Junior Chamber of Commerce convention in town. That will probably be a circus, too. The Jaycees are all 21 or over or 35 or under. There's a lot of vim, vigor and vitality packed between those ages. Also we have in town this weekend the advertising men of southern California. They're the people that make you want things. It

Spring is the season when boys begin to feel gallant, and girls buoyant. — Raymond C. Otto.

Everyone ought to fear to die until he has done something that will always live.—Origen Unknown.

Freedom from Nervous Tension

When you are ill, freedom from nervous tension gives maximum opportunity to your healing forces; it is basic to all problems of health. Nervous tension drives patients from one organic disease to another. Now it is the back which aches under the unrelenting nervous tension, then the arthritic joints, gall-bladder, spastic colon, kidneys and finally the heart. A tense person is a constant prey to fear. Fear is a factor in all diseases. Nervous tension can throw up the most disquieting fears which gradually express themselves in baffling symptoms of nervous or organic disturbances. Immense healing forces can be made to flow through the ailing body through a progressive release from tension. Training for freedom from neuro-muscular tension is the greatest boon ever worked out by science. The ability to switch off nervous tension brings back buoyancy and virility, adding years to your life.

**Change Church
 Schedule May 23
 at Cathedral City**

Cathedral City Community church has announced part of its program for May and June, said the Rev. Dr. Graham Hunter, pastor.

On May 2 the pastor will speak on the famous sentence of Saint Augustine, "Our souls are restless until they find rest in Thee." Mothers' Day is May 9, and Children's Day, May 23, at 9:30 a.m. On June 13, Edward M. Dering of Palm Springs, who has spent the winter in Mexico is to speak on "A Layman in Mexico."

The church will continue its present schedule until May 23, meeting at eleven with Sunday school at 9:30. Mr. and Mrs. Clinton H. Mitchell, who among other deeds of usefulness have been in charge of Cathedral City church publicity through The Desert Sun, depart soon for an extended trip East.

Under guidance of Architect H. J. Williams, the church has begun the erection of a new porch, bell tower and cement walk, with Harold E. Colglazier in charge of construction.

GOOD WILL BOOK — Mayor Florian Boyd signs the Palm Springs section of the World Good Will Book in observance of the 150th anniversary of the first Bible Society, while Dr. James H. Blackstone Jr., minister of the Palm Springs Community church, and Dr. James Z. Nettin-ga, secretary of southern California headquarters of the American Bible Society look on.

**Villagers Given Opportunity
 to Sign Good Will Tome**

Residents of Palm Springs will have the opportunity of joining a worldwide observance of the 150th anniversary of the founding of the first Bible Society, it was announced today by Dr. James H. Blackstone Jr., minister of the Palm Springs Community church.

The jubilee observance has been described by the American Bible Society, one of 24 national Bible Societies, which comprise the United Bible Societies, as "one of the greatest mass statements of faith in human history."

People of 60 nations will participate in a program to share the Scriptures with those who want them. Among the program's goals is an increase of the current distribution of 20,000,000 volumes annually to 25,000,000 in 1954 and to 50,000,000 by 1960.

A WORLD GOOD WILL BOOK is in preparation to be signed by those who wish to signify their desire to share the Bible.

"People in more than 60 nations will sign their names on the pages of this book of testimony to their love for the Bible, their faith in its teachings and their desire to share it with others," said Dr. Blackstone.

"There are hundreds of thousands of people in many parts of the world who believe in the Bible enough to share it with others. When those who love the Bible inscribe their names in a huge book, it becomes a proclamation to the world and a rallying point for all who love the Lord and his Book," he said.

Each participating nation will collect its signatures on pages of the same size, 22 by 26 inches, and send them to the United States for binding. Signatures will be grouped by country, major subdivision and by city.

PALM SPRINGS will have a special section devoted to signatures obtained here.

Upon completion, the book will be displayed in principal cities all over the world and then loaned for one year to each of the 24 participating national Bible Societies.

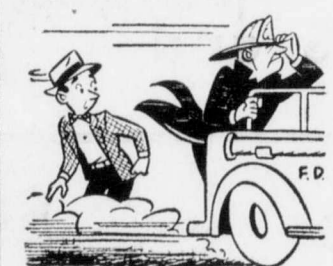

The 150th anniversary is based on the birth of the British and Foreign Bible Society which was founded in 1804, after an ambitious attempt to distribute Bibles in Wales, found an edition of 10,000 exhausted in four months and large districts unsupplied.

The first Bible Society in the United States was located in Philadelphia and was founded in 1808. More than 100 such local groups were functioning within six years and the American Bible Society was chartered in 1816.

IN THE PAST 150 years, the various societies have distributed over 1,200,000,000 Scriptures in about 900 languages and dialects. At least one book of the Bible has been translated into 1,064 languages or dialects. Since 1804, new languages or dialects have been added at the rate of seven a year.

The societies translate, publish and distribute the Scriptures "without note or comment, and without purpose of profit." Representatives of 53 denominations voted support of the World Good Will Book.

Persons who wish to sign the book and share in this project should speak to their minister about making arrangements for obtaining signature certificates, or write to American Bible Society, 164 North Euclid avenue, Pasadena 1, California.

Officers Installed

The highlight of the year's activity for the Cathedral City Women's club was the installation of officers luncheon held at the Biltmore hotel in Palm Springs Wednesday of last week. Mrs. A. M. Rowell, president of Riverside County Federation, was the installing officer, and used as her theme the several ingredients of cake baking, with each officer representing an important part of the cake, ending with the mixer, blending together the smooth finished product. Installed as officers for the 1954-1955 season were: Mmes. Clare Ballagh, president; Malcolm Gordon, first vice-president and program chairman; Francis Wood, second vice-president; Wilbur Larrison, recording secretary; Herbert Henry, corresponding secretary; R. C. Mhoon, treasurer; Leslie Kelley, auditor; L. C. Lewis, parliamentarian.

The new president announced the chairmen for standing committees as: Mmes. T. M. Powell, ways and means; O. A. Torgerson, hospitality; Wilbur Larrison, federation; O. A. Torgerson, tea hostess; Verne

Krings, house; Paul Clark, radio and publicity; Paul Watkins, youth; Claude Cobb, reservations; Graham Hunter, chaplain; Francis Woods, Red Cross; and Miss Margaret Davidson, art.

Background music was provided throughout the luncheon by Dorace MacKenzie, hotel organist. Several violin solos were given by Prof. Vlado Kolitsch at the end of the luncheon. In appreciation of her untiring work during the two years of office, the retiring board presented to their president, Mrs. Wilbur Larrison, a lovely piece of luggage.

At Federation Session

Southern District Federation of Women's clubs held their annual convention at the Mission Inn in Riverside yesterday. The meeting opened with the coffee hour at 9 a.m. followed by workshop groups. Mrs. Joseph C. Wenger, state president, was the speaker of the day at the afternoon session. A banquet in the main dining room of the Inn closed the day's activities. Attending from the Cathedral City Women's Club were Mrs. Wilbur Larrison and Mrs. Claude Cobb.

Trippet Heads Democrats for "Retain Knight"

Democratic support for Governor Goodwin J. Knight in the forthcoming State election was given strong impetus yesterday with announcement of the appointment of Oscar A. Trippet, frequent desert visitor, as chairman of the Democratic Committee of the Southern California Campaign to Retain Governor Knight.

In announcing the appointment, Howard Ahmanson, general chairman of the Southern California Retain Governor Knight Committee, said the Knight forces were highly gratified with Trippet's decision to lend his active support and particularly complimented him on his choice of executive aides. Trippet immediately announced he had secured the co-operation of other Democratic stalwarts and had named seven of them vice chairmen who will work vigorously to win the Governor's nomination on the Democratic ticket June 8th.

He is an old friend of Dr. Graham Hunter, who was for many years pastor of the Presbyterian church in Fullerton. Fullerton was additionally represented by fourteen young married couples with their children who held Vesper Services at the church Sunday afternoon.

Mrs. Marjorie Anderson, camp chairman of the Palm Springs Girl Scout Council, reports that five Cathedral City girls have registered to attend summer camp at Azalea Trails, near Idyllwild. The camp sessions are for two weeks each, and run from June 23 to August 19. Looking forward to camping

fun are Scouts Caroline Smith, Judy Klebe, Susan Schwarz, Sharon Foss and Barbara Lowrance.

Alene and Bud Rupp are mourning the death from a sudden heart attack last week of their Boston terrier, Sunny. Sunny was seven years old and they had raised him from puppyhood. He had one shortened front leg from birth and like all crippled "children" was therefore particularly cherished.

Nearly one hundred members and friends of the Cathedral City Lions Club gathered for an out-door breakfast in Sunair Park last Sunday. The committee responsible for the excellent repast was composed of Wm. Hendrickson, chairman, Dr. Russell Bertrand, Charley

Martin, Jeff Seufferer, Wilbur Larrison, Claude Cobb and Leslie Kelley. President Francis Wood said that another out-door breakfast would be held in the park in the near future. Advance announcement was made of the next Lions meeting which will be a "Ladies Night" to be held at the Palm Springs Chi Chi on May 13. Officers for the ensuing club year will be installed that night.

The board of directors of the Chamber of Commerce will hold its regular monthly meeting next Tuesday, May 4, at 7:30 p.m. at the library. Officers for the coming year will be installed when President Paul Clark hands over the gavel to newly elected president Robert Sherrill.

I RISE TO REMARK

By CONGRESSMAN JOHN PHILLIPS

As you all know, the Atomic Energy Commission is one of the 44 agencies which come to our subcommittee for its budget. We have had to be in touch with recent developments, and we were all vitally interested in the so-called "H-bomb" test in the Pacific. I wanted to see that actual test, but it was in the middle of our hearings and I could not get away. Later, the Commission brought down the film of the explosion, in color,

which took over an hour to run, and in which certain parts were "restricted," that is, not for public release. We encouraged the Commission to have a shorter film prepared, releasing some previously restricted items, and cutting out a lot of the incidental material. It runs about 30 minutes, in color, and words can not describe the color combinations created by the explosion, nor the terrific spectacle it pro-

duced. The film is 16 mm. I felt it would be so interesting at home that I purchased one of the films from the Commission and will make it available to any group, luncheon club, school, civil defense unit, or other organization, without charge. The film will be ready about the 1st of May. There is nothing "political" about it. Your Congressman appears in the film only to call your attention to the needs of Civil Defense, and very briefly at that. The President also appears, voicing again his hopes for world safety and united security.

ANY GROUP INTERESTED in seeing the film can arrange

for it by writing this office, or better yet, by writing Mr. Harry C. Harper, Room 202 Mission Inn Rotunda, Riverside. I know he will be willing to handle this, and that will make it more convenient, and shorten the time required for making up a schedule. I feel it is well worth seeing. You never know, when you work at a job like this, just what will blow up into controversy. Something you think may become an issue rolls through without argument. Then something you hardly thought about in committee, unexpectedly builds up to a first-class hassle. I am now on the receiving end of one of the

latter arguments.

The federal government appropriates money for slum clearance, which I prefer to think about as slum prevention. We are in favor of this program, and I think personally that a lot of people who think they are in favor of "public housing" are really a little confused between the two programs. The basic law requires that, when federal money is spent to help clear an area, which is all we do at the start, at least half of the final result must be residential. We do all low churches, schools, stores, banks, and other facilities which the law politely groups under the expression, "predom-

inately residential uses and incidental uses normally essential for residential uses." SOUNDS SIMPLE, doesn't it? What started the row was that the New York City housing authority, desiring to build a great coliseum, which no doubt New York needs, decided to edge in on this slum clearance money and clear a "slum area" on part of which the coliseum would be built. The trouble was that, when the final "residential area" was figured up, it was less than 50% of the original area. Now listen to this: the N.Y. housing authority, to meet this difficulty, decided that since there

would be a large garage under the proposed coliseum and since residents of the area would undoubtedly keep cars in that garage, it might properly be considered "residential." This brought the percentage over the 50% mark! We said in our bill that we didn't want any more expenditures of taxpayers' money on such evasive grounds. I think the taxpayers will all be on our side; we haven't enough money to throw it around like that and there are genuine slums to be cleared. I forgot to say that this "slum" area in New York contains the 22 story Manufacturers Trust Company office building, in good condi-

tion, and also the theater from which CBS originates its TV shows. Some slum! The New York authority is attacking the Congress, and me personally, for suggesting that they stay within the law, and has apparently aroused fears in various other city authorities. Never a dull moment in Washington these days!

TWENTY-SEVENTH YEAR

The Desert Sun

and PALM SPRINGS NEWS

Page One-C Palm Springs, California, Thursday, April 29, 1954 Third Section

With Hildy Crawford

Verbenæ trail pinkly purple beauty . . . across the beige carpeting of the desert . . . and oleanders bloom again in Palm Springs . . . as April merges into May . . . These are the days looked forward to by those who love the desert . . . with golden days and star lit nights making the perfect vacation time . . .

Let others study vacation folders . . . and head for Europe or Honolulu . . . New York, Chicago or Seattle . . . This is what we have been waiting for . . .

Starry Eyed

Ed Houghton's birthday was the incentive for a gay Sunday night dinner party . . . at El Mirador . . . arranged by Millie . . . Following cocktails in the Houghton's bungalow . . . the party gathered in El Mirador Room . . . and drank a champagne toast to the birthday celebrant . . .

Getting in party mood . . . the women all had silver stars on their eyelids . . . and more than one did the hula to the music of George Kainapau and his Hawaiian Serenaders . . . Of course, there was a big birthday cake to top off the dinner . . .

Bill and Helen Reichel were there (they moved out to their Ranch that day) . . . Other guests were Mr. and Mrs. Clifford Dick of Glendale, Mr. and Mrs. Al Howe of Los Angeles, the A. E. Youngs (they left the next day for their home in Hibbing, Minnesota) . . . E. Roy Fitzgerald (he's off to Chicago), Janet Essroger, the John Fitzgeralds (they leave this week for Chicago) . . . Gil Wilcox of New York, Jimmy Moran of Chicago, the James Ashmans and their pilot Herb Ackerman (they took off for New Jersey yesterday in their private plane) . . .

Millie leaves next week for Indiana . . . to be with Ed's sister who is having an operation . . . and she expects to be away at least a month . . .

Ray Ryan and Elsinore Machris were having their pictures taken together . . . to send back to Watertown, Wisconsin . . . their home town . . . which is celebrating its 100th anniversary this summer . . . Elsinore may go back for the celebration . . . but Ray won't be able to make it . . . as he sails for Europe aboard the Liberté on May 14 . . . He will be accompanied by H. L. Hunt (reputed to be Texas' biggest oil man) . . . and will be abroad about six weeks . . . Former Ambassador Joseph E. Davies, who has helped plan this trip . . . may meet them in Europe . . .

Poolside Luncheon

The Ruloff Cuttens were hosts at a very pleasant poolside luncheon Sunday . . . at the Don Straleno home on La Es-cuela where they are living . . . Their guests included Connie Moore and her husband Johnny Maschio, Kitty and Mervyn LeRoy, Joan Bering . . . Ginny Sims and Dr. Alfred Huene-gardt, Lee Anderson . . . Arnold Kirkeby (of the Kirkeby hotel chain) and his beautiful wife Carlotta, who are just back from Florida . . .

Admiral Frederick J. Bell (ex-vice president of the National Auto Dealers) checked in at El Mirador Sunday night . . . for a short stay . . .

Mrs. Eleanor Monier of Ft. Worth is vacationing at The Tennis Club . . . Among other recent arrivals there . . . Mr. and Mrs. William MacRae of Sydney, Australia . . . the Philip Carlsons of Bridgeport, Connecticut . . . The Tennis Club closes May 9 . . . but the cottages will be open until June 1 . . .

Jayceetes

A fashion show luncheon at The Tennis Club Saturday . . . will highlight the weekend for JC wives, here with their husbands for the state convention of the Junior Chamber of Commerce . . . Barbara Foster, Palm Springs Jayceette, is chairman for the show, which has been labeled "Just for You" . . . Opening social event of the convention . . . will be the cocktail party this evening at El Mirador, convention headquarters . . . After cocktails it will be "Night on the Town" with the visitors touring the night spots . . .

Tomorrow noon will be the "Suntan party", poolside at El Mirador . . . with all the gals in swim suits or shorts . . . Marion Wiegell is chairman of this event . . . Climaxing the big weekend will be the "Starlight Ball" . . . a Saturday night dinner dance at El Mirador . . . Seeing that the visiting Jayceettes have a memorable time in Palm Springs . . . will be

members of the local group, headed by President Norma Smith . . .

The Desert Circus Cadillac that so many people had built their hopes on . . . goes into the collection of Clark Swanson, multi-millionaire chicken pie king of Omaha . . . Life seems to be like that . . .

Sonic Barrier

That "explosion" Sunday didn't upset the Charles Carr household at 1350 Mesquite . . . as her son Lt. Darrell V. Cole was there and knew it was a jet breaking through the sonic barrier . . .

The young lieutenant, who was here on leave from Smoky Hill Air Force base at Salina, Kansas, is the pilot of a Strato-cruiser . . . and is just back from New Zealand . . . He is the one who broke the world record re-fueling a jet plane in the air from England to March . . . He flew 30 combat missions over Germany in World War II . . . and 28 over Korea . . .

The Carrs, who leased the Walter McManus house for six months . . . are returning to Bel-Air this weekend . . . but they will be back . . . They have purchased a lot in Deep Well Estates and plan to build this fall . . .

Joan Bering went in to Los Angeles this week . . . but will delay her flight home to Chicago until Monday . . . so she can attend the Mervyn LeRoy's Saturday night party . . .

Vicki and Billy Malouf, who rate among the Village's most popular hosts, gave their third and last soiree of the season at their Via Las Palmas home Sunday night . . . honoring their weekend houseguests, the George Barracloughs . . .

Around fifty guests were there for cocktails and barbecue supper . . . including Dr. and Mrs. P. A. Staley, Howard and Kay Morris . . . Mr. and Mrs. Arch Frost of Beverly Hills, Harold Maundrell . . . Mr. Hathaway Kemper, Dorothy Gray, Beth Scott, John and Lillian McClure . . . Elsinore Machris, Dr. John Williams, Dan Dunlaps, Edwin Fallgrens . . .

That parrot of the Joe Froggatts (he's Herman unless he lays an egg) is peeping things up out at Thunderbird . . . He clucks like a hen, crows like a rooster . . . blows like a bugle and sings opera . . . I guess that's bearable . . . as long as no one teaches him to inquire . . . "Hot enough for you?" . . .

At Wedding

Culver and Sally Nichols went north to attend the Ben Chaffey-Marian Williams wedding . . . in Carmel on Saturday . . . Ben is the son of John and Charicella Chaffey, former Villager . . . and the bride is the daughter of Dr. and Mrs. Russell Williams of Carmel . . . The Nichols are driving back today . . . They will be accompanied by their son Ensign Nick Nichols, who flew out from Norfolk to be best man at the wedding . . . and Janet Jaynes, who was the bridesmaid . . .

Oliver and Frankie Jaynes arrived back in the Village on Monday . . . after spending two months in Florida . . . They visited relatives in Kentucky and Tennessee on the way home . . . returning by the Smoky Mountain route . . . They have rented an apartment at 777 San Lorenzo temporarily . . .

Bon Voyage

Mr. and Mrs. Edward H. Maggard and Mrs. Dorothy Hoover hosted a dinner in the Desert Inn patio last evening . . . as a bon voyage to Mr. and Mrs. Frank Camp and Mr. and Mrs. Carl Lykken . . . who leave next month for Europe . . . going via the Panama Canal . . .

Hilly Chase has achieved her fondest desire . . . she's a grandmother . . . of a seven pound 13 ounce boy, John Chase Manderson . . . who was born at midnight Sunday . . . to Lt. M. C. and Anne Manderson of Macon, Georgia . . . Grandpa Thurston, back in Deerfield, Massachusetts, is undoubtedly just as happy . . . at the arrival of their first grandchild . . . This is a lucky little boy, too . . . to have such nice people for grandparents . . .

The luau at Thunderbird Country Club tomorrow night will be an aloha party, climaxing the club's social season, and will have all the color and romance of the South Seas.

An elaborate buffet will feature 15 hot and 15 cold dishes, and those who attended last year remember this luau as the outstanding one of the season. Joe Froggatt, entertainment chairman, says that this will be just as good.

In addition to this attraction, will be the entertainment provided by Tani Marsh and her dancers, presenting the songs and dances of the Islands.

Among his guests were Mr. and Mrs. James Nance (he's president of Packard Motor Car company of Detroit), and Mr. and Mrs. George Wagner (he is West Coast representative of Packard.)

Her houseguest Mrs. Michael L'Abbe of Los Angeles and San Diego, was the incentive for a small cocktail party given by Mrs. Eleanor Kane Monday evening at her home at 1476 San Lorenzo.

Close to sixty guests gathered for cocktails and supper in the lantern-lighted patio at the Karlen home.

Mr. and Mrs. Fred Karlen were hosts Tuesday night at a farewell party at their Thunderbird home. The hostess termed it their "swan song" as they leave Saturday for their home in Tacoma.

Club Hears Convention Reviewed

At their monthly business meeting held in the Chi Chi Blue Room Tuesday noon, Soroptimists named a nominating committee and heard reports on the Regional convention held in Riverside this past weekend.

The nominating committee consists of Lois Lux, Madge Holderman and Addie Hubbard. Election will be held at the last meeting in May.

The club decided to concentrate on scholarships as this year's project and Mildred Jackson, Eileen Carey and Esther Weingarten were named on this committee.

Dr. Callista Stefan, club president, and Madge Holderman, a delegate, reported on the convention. New Governor of Pacific Region, succeeding Mary Ellen Pangle, is Georgia Davis of Santa Maria, and the new district director is Helene Bennett of El Centro.

Reception Will Honor Dr. Graves

Leslie Harris has chosen The Tennis Club as the setting for a "very informal" reception this afternoon, from 4 to 6, to introduce Dr. and Mrs. Harold K. Graves of Berkeley to a group of civic and religious leaders, club men and women and educators in the Palm Springs area.

Dr. and Mrs. Graves, who are staying at Desert Inn for a few days as the guests of O. Earl Coffman, have been friends of Leslie Harris for several years, and Harris has worked with both Dr. Graves and his distinguished young architect, John Carl Warnecke, of San Francisco and Oakland, in planning the great new campus of Golden Gate Seminary, which Dr. Graves heads, and which has just acquired a 125 acre site near San Francisco.

Dr. Graves spoke at the Los Angeles Breakfast Club yesterday morning, then drove to Palm Springs to address a joint meeting of Rotarians, Lions and Kiwanis members at noon. In the evening he was guest speaker at Palm Springs Community church. Because of his tight schedule Wednesday Harris arranged Thursday's reception for a more leisurely meeting between the important visitor and localities who are interested in educational and religious developments.

APRIL WEDDING — Mr. and Mrs. Thomas Frederick Rhodes (she is the former Mary Kathryn Mills) are honeymooning along the coast, following their wedding Sunday in the Palm Springs Community church.

Kathryn Mills is Bride of Coachella Valley Rancher

Mary Kathryn Mills and Thomas Frederick Rhodes exchanged their wedding vows in a candle-lit ceremony at the Palm Springs Community church Sunday afternoon, with Dr. James H. Blackstone Jr. officiating.

In the wedding party were:

Marilyn Mills, who acted as maid of honor for her sister, Mrs. Don (Vickie Matloff) Stern of Beverly Hills who was matron of honor, Frederick Rhodes, who was best man for his son, and Theresa Hokey of Indio, who was flower girl. Ushers were Stewart Trumble

of Palm Desert, and Robert Fountain of Indio. The candles were lighted by Miss Barbara Hobbs and Miss Jaci Sale. Soloist Miss Ann McDowell was accompanied by Mrs. William Lux at the organ.

The bride's gown was of imported white embroidered nylon tulle over bridal satin, and it was trimmed with iridescent sequins and an applique of seed pearls. The full skirt fell into a cathedral train, and the fingertip illusion veil was held in place by a sequin and pearl trimmed coronet.

She carried a colonial bouquet of white orchids and stephanotis and the other bouquets were of blue, yellow and pink carnations.

The maid of honor wore blue lace and the matron of honor champagne lace.

The men in the wedding wore white dinner jackets.

Mrs. Alyce Evelyn Mills, mother of the bride, wore a champagne lace suit trimmed with pearls, and Mrs. Frederick Rhodes, the bridegroom's mother, was attired in a raspberry colored dress with pearls and sequins, and wore matching hat and shoes.

The bride, who is listed in both the Blue Book of Southern California and the Social Blue Book of California, is a graduate of Palm Springs high school and attended Los Angeles City College.

Since school she has divided her time between the Tulare ranch owned by her father, Pinckney Mills, and her mother's home in Palm Springs.

The bridegroom, who is from Whittier, attended high school in that city, Pomona Junior College, and received a degree in agriculture at the University of Arizona, where he was a member of the Sigma Alpha Epsilon fraternity. Following two years with the United States Navy during World War II, he has been ranching in Coachella Valley.

The young couple are on a honeymoon trip along the coast and on their return will be at home at his ranch in Coachella.

Give Dinner at Beachcomber

The Jack Sullivans, who were houseguests of the Al Hunts, were hosts at a dinner party at Don the Beachcomber Sunday night.

Among their guests were the Hunts, Darryl and Judi Herron of Bel-Air, Ginny Sims and Dr. Alfred Huenegardt, Lee Anderson.

Classmates Entertained by Bob Press

Hosting twenty of his classmates from Loyola University, Robert Press, son of Mr. and Mrs. Arthur Press, 925 Paseo El Mirador, had a busy weekend. The students, many of them from other states and countries and visiting Palm Springs for the first time, were very much impressed with the size and scenic beauty of the Village they had heard so much about.

Following the Desert Circus parade the boys with their dates—some of them Major-ettes from Montebello Band, gathered at the Press residence for an afternoon of swimming, after which they were served dinner chuckwagon style around the pool.

Among some of those attending the affair were William Arneemann, Honolulu; Horst Schmidt, Munich, Germany; John Heil, of Heil Cheese Co., Milwaukee; Bill McMahon, River Forest, Illinois; Paul Oberbreckling, Milwaukee; Larry Lanagino, Santa Maria; Angelo Delgado, Santa Barbara; Ron Lambers, San Gabriel; Mike Tonti, Balboa; Tom Harrington and Jerry Piazza, Riverside; Chuck Fuller, Pasadena; Juliet Ybaniz, Montebello; Richard McBride, Long Beach; David Benaderet, Long Beach; Pete Tolotti, Reno, Nevada; Frank Halberg, Lynwood, a drum major who led the Huntington Park Band in Saturday's parade. After brunch on Sunday the boys left to return to school.

One thing sure—this column is informal—sort of like our way of life on the desert. You never know who's going to say what — Don Cameron Says — Dagwood, Ole Olson, Sally O'Neil, Monte Herbert or Bob Howard—anyone's liable to be in there pitching when I have

Foot Notes

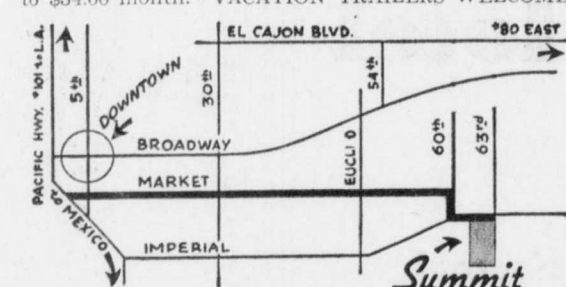

By LYNN EMRICK

The other Saturday we had 406 throughout the day. This included the Claremont Boys' club who came in for a visit. Since these ten-year-olds were nature lovers I suggested they swim at Tahquitz Falls. They liked it so much that on Sunday their director, M. R. McOmber came in and took out a Museum membership. This pleased us; of course knowing the boys had fun added more joy. We also had 40 Boy Scouts from Burbank who wanted to see "The Rocks and Indians in our Museum."

Dr. C. E. Smith, director, reported that March was the biggest month for walk-ins—4,104 in all. We also had the second largest month in the history of Museum activities with over seven thousand guests. Our travel films on Friday nights draw the largest group. We have as many as 250 but we only have 180 chairs. This means that around 50 persons have to stand on their toes to see the movies. The evening programs are most always good. "Wheels Across Australia" was an excellent movie which we hope to repeat next season. Many other weekly programs brought loud ovations. Our Saturday guest-lecture series are popular and these were held at the Frances Stevens school auditorium but for the next few Saturdays the programs will be presented in our Museum. There is a great need for a larger Museum; I know this aim will materialize just as those of us knew that the Transway development would regardless of obstacles. You can't stop Palm Springs from growing, there's so much here.

Racquet Club Merry with Saturday Night Parties

Mr. and Mrs. Charles Carr of Bel-Air, who have been spending the winter season in Palm Springs, entertained with a delightful dinner party Saturday night in the Mural Room of the Racquet Club.

Guests included Mr. and Mrs. Dan Dunlap, Mr. and Mrs. William Malouf and their houseguests Mr. and Mrs. George Barracough of Los Angeles, Mr. and Mrs. John McClure, Mr. and Mrs. Edwin Fallgren, Mr. and Mrs. Thomas Fleming, Miss Beverly McClure and Lt. Darrell Cole who is Mrs. Carr's son. Lt. Cole, who is stationed in Kansas has been enjoying a Palm Springs' vacation visit with his family.

The Lesermans and Burlinghams have just returned from the Hawaiian Islands where they enjoyed a month's stay in the mid-Pacific playground. Guests of Mr. and Mrs. Robert Lewis, who were down for the weekend at the Club, included their close friends, Dr. and Mrs. Donald Lagerlof who were staying at the Club with them, and Mr. and Mrs. Sher-

man Wagenseller. Dropping back to the Club for late evening doings following the Edwin Silverman party, were Dorothy Gray and Charlie and Mary Morrison. The Morrisons, honor guests at the Silvermans, were celebrating their sixth wedding anniversary. Among those helping the Morrisons make the occasion a memorable one were Mr. and Mrs. Harry Brand, who were taking time away from studio duties to enjoy a few days of desert living at the Racquet Club.

Among the motion picture group entertaining with both small and large parties this week were Mr. and Mrs. John Payne, Mr. Gilbert Roland, Mr. and Mrs. Gene Kelley, Mr. and Mrs. Eugene Zukor.

FILM FAVORITE — Gilbert Roland, handsome screen star who has just enhanced his rating by his appearance in "French Line", is pictured at the Racquet Club, where he played in the tournament last weekend.

Film Stars Holiday Here in April

That the late months of the season as well as the early months, rather than what Palm Springers call the height of the season, are the most popular months for desert living with the motion picture set was well evidenced this week.

The Racquet Club was jammed with celebrities down to relax, recover from colds, or just add a few coats to their newly acquired tans. Mr. and Mrs. Dick Powell (June Allyson) spent a quiet weekend at the Club to give Mrs. Powell the full benefit of the desert sun. She was recovering from an attack of laryngitis.

Busy about the swimming pool Mr. and Mrs. John Payne, Mr. Payne, one of the film colony's fine swimmers was among those making use of the pool even in the late hours of the evening.

Gene Kelley and Gilbert Roland, tennis enthusiasts both, joined in tennis play of the Racquet Cup tournament, with Mr. Kelley proudly carrying away a trophy. His pretty Mrs. was held to the sidelines as she is still on crutches from a recent ski "break".

Terry Moore was among the pool enthusiasts, while Dinah Shore and her handsome husband George Montgomery were busy on the tennis courts.

Among the vacationers the Carl Esmonds, Mr. and Mrs. Harry Brand, Miss Patricia Knight (the Governor's daughter), Mr. and Mrs. Eugene Zukor.

(Anderson Photo)
AT TENNIS CLUB — Having fun at The Tennis Club this past weekend were Mr. and Mrs. J. Carroll Naish, their charming daughter Elaine and her fiancé Jack Sheridan. The young people are planning a May wedding.

SISTERS — Enjoying the desert sunshine while holidaying at Hotel the Oasis down Palm Springs way are Carolyn, left, and Laurie Hand, daughters of Dr. and Mrs. Frank Hand of San Francisco. This family has spent their spring holiday at the Oasis for many years.

On The Trails

The Torrance Mounted Police ... here for the Desert Circus parade ... are not only a handsome posse, but are all fast thinking and expert horsemen. With their Captain, Andy Alexander, they saved the day for Jovana Jones. Her horse was being unloaded for the parade, when fright caused it to bolt, breaking the halter. With all the excitement and its freedom, the horse headed at a full gallop across a Tachevah drive field apparently headed for home. The Torrance Mounties, quick to see the flight, circled the far end of the field and forced the frightened animal to a halt. Closing in on it from every side they held the horse encircled until Jovana arrived with a tie rope. Never was there a more grateful girl or a more bewildered horse.

Hats off today to the Torrance Mounted Police. Our own Palm Springs Mounties looked so sharp in their new chaps, that they were awarded first prize. The Torrance Posse took second.

Much credit should go to the Palm Springs police department for the manner in which they handled the horse trailers in the loading lot at the end of the parade. Trailers and cars were neatly lined up facing the Ramon exit, while the rear was barricaded with ample space for loading horses. This lot has formerly been a scene of much confusion. This time all was neatness and order.

Jimmie Cooper has become a tradition in the handling of parades. With far over a hundred entries, the entire procession fell into a perfect start at the given time—with each section folding into place in perfect unison. Jimmie deserves a lot of credit and appreciation for this big and splendid job. And I am wondering how many people realize that all the time and effort which goes into the making of it is strictly a contribution on Jimmie's part.

The judges who had the difficult task of picking the parade winners, and who also deserve our thanks, were Shirley Cooper, Clare Woodmansee, Billie Moseley, Keta Boyer and Dr. James Ketchersid.

—ANITA HASKELL JONES.

Teeing Off at Tamarisk

BY AVERY ALLEN

Gordon McCrea around for a few days apologizing for his long hair-do but needing no apology for some pretty fair scores he turned in to out-hustle the hustlers.

Bill Goodwin and his frau just in from New York—a little nostalgic for the west coast. He, you'll remember, was with Bob Hope for a long time.

Our Panama City Bantam, Gardner Dickinson, Jr., brought his gal friend over for a bootleg—just bustin' his buttons with pride over her golf swing. I'm laying odds I'll be dancing at that wedding before I'm much older.

HAROLD WEISSMAN and his party left for New York after gathering the material for his big Tamarisk feature story—tears in his eyes as big as Escudillo Avocados on having to leave.

Kay Spreckles has taken her golf so seriously that she showed up with a blister—a line formed at the right to administer first aid.

A San Bernardino foursome of Horace Witherspoon, Bruce Jordan, Tom Jones and Dr. Pleasant were with us for a quick round—nice to see some of our Arrowhead Country Club friends around.

DURING THE SEASON we get so busy living from hour to hour and improvising to meet each new situation that we don't get time to really put what we're doing into a proper perspective. As we look over our shoulder at the season just passed we realize that it has indeed been a great year for us. Here, under the desert sun, we have seen accomplished an outstanding experiment in human relations. Here, the millionaire and the poor man have met on common ground to hit the little white ball. We've seen a terrific job done in the understanding of each for the other. It is my humble opinion that anything so dedicated to the brotherhood of man will go fast and far. We've had many compliments on our way of handling that.

Desert Art Center

By JEANE COUTTS ANGUIANO

The weather being cooler, the last Art Mart of the season was held April 23 and 24 on the Liebling property. Besides being a very picturesque scene for Palm Canyon drive, the Art Mart was successful as always and has proved itself to be one of the most attractive and popular events the Desert Art Center has ever sponsored. Next season the Art Mart will continue to take place as usual, all the information about it will be announced at that time. On the job constantly at the Art Mart were Bill Williamson, curator of the Desert Art Center and William Darling, chairman of the Painters and Sculptors Guild. Well known sculptor, Uno Palo-kangas was attending his own exhibition of fine sculpture, accompanying him was his wife, Esther who is known for her beautiful masks. Which brings to mind the scene of the grand Desert Circus Parade that all the artists were watching when an exceptionally fine looking horse went by wearing a very decorated mask over its eyes; somebody said: "There's a mask, Esther!" but that's a mask of a different color. Estelle Yerkes was sculpturing for visitors and Sophie Sturtevant is beginning lessons in sculpturing with Uno Palo-kangas. Brownell McGrew donated a painting titled "Storm at Evening" to the Desert Art Center.

Plans for a more active Writers Guild next season were spoken of by chairman of the Writers Guild, Marguerite Hoover. Chairman of the Photographers Guild, Peggy D'Auvray invites anyone interested in photography professionally or as a hobby to become a member and enjoy the benefits of the guild. Those interested in participating in the various guilds of the Desert Art Center are invited to contact Bill Williamson at the Desert Art Center. The Desert Art Center Board of Trustees meeting was held at El Mirador hotel Monday. The Painters and Sculptors usual board meeting will be held the first Thursday of

May at 4 p.m. at the Desert Art Center. It will be the last of the season. Some ideas for next year's Beaux Arts Ball were being discussed by Axel Linus, Uno Palo-kangas, Sophie Sturtevant, Estelle Yerkes, Pascal Hyde, and Esther Palo-kangas.

The regular exhibition of paintings is held at the Desert Art Center and everyone is welcome to see them. Next week a few short visits in different artist members' studios will yield interesting information and news about many painters and sculptors in this desert valley. These artists, some of whom have lived and worked here for many years have all given vitally to the culture of Palm Springs and surrounding area.

Without them a necessary ingredient in living in this desert area would be missing, their art is succor to all who require mental and spiritual inspiration.

There is one major difference between earlier and modern times; young people look older sooner, and older people look younger longer. — Ufer, Germany.

Something new to do keeps your mind off eating—so why not have an herb garden? Window sill pots will do at first, later on a window box or a few feet of ground. Add entrancing, tangy flavors to your low-calorie meals, have fun—and pretty packets of unusual herbs make fine gifts! Herbs have a long, fascinating history. Ali Baba's sesame was a symbol of immortality. Thyme made you courageous. Chervil stopped hiccoughs. Basil aroused sympathy, so people wore sprigs of it when courting. And in our own colonial times, folks chewed ill seeds in church to keep them awake!

SNOOZY BEDTIME DRINK Hot Carnation Slender with a teaspoon of powdered anise, a teaspoon of honey.

Plenty of Protein For strength while reducing, you need meat, fish, eggs and cheese—especially protein-rich Carnation Cottage Cheese. For an appetizer, try shrimp marinated in spiced vinegar.

Do you have any special ideas that have been helpful in your reducing program? If so, won't you send them to me at the address below? I'd like to pass them on to other readers.
